PREFACE

We herewith present our patrons with the tenth volume of the Arlington Directory. We are grateful to all those who aided us in collecting matter for the book. We are pleased to note the encouragement of our advertisers who compose the wideawake and enterprising merchants of Arlington and other towns.

The Directory is an indispensable adjunct to the office, manufactory or house, and no doubt without it much valuable time would be lost in locating persons, companies, institutions, etc.

A careful canvass has been made of the town by experienced men. The correctness of the information lays more or less with the people, themselves.

Thanks are returned to all who have given information or aided us in any way.

We hope to issue the book again in two years.

We remain respectfully,

BOSTON SUBURBAN BOOK CO.

EDWARD A. JONES, Treasurer.

FACTS ABOUT HOOD'S MILK

A PERFECT MILK IS A PERFECT FOOD

H. P. Hood & Sons originated and employed hygienic methods in the production of PURE, CLEAN and SAFE Milk in the country years previous to any measures being taken by the Boards of Health or United States Department of Agriculture.

During sixty-five years of continuous service not a case of disease has been traced to Hood's Milk.

The name of "HOOD" is and has been for sixty-five years a synonym for excellence of dairy products and honesty and liberality in commercial dealings.

H. P. Hood & Sons have always maintained the highest standard in the quality of their dairy products and sell milk, cream, butter and cheese at the lowest price for which a PURE, CLEAN and SAFE article can be put upon the market.

The transportation facilities from their sources of supply in the country to the consumers in the city, and their local and suburban delivery system are unexcelled.

Hood Farm Milk won an Award of Merit for Excellence of Quality at the National Dairy Show Association Exhibition held under direction of the United States Department of Agriculture at Chicago, Illinois, February, 1906, after having taken the longest journey of any of the twenty-one lots of milk exhibited.

Hood Farm Milk won the First Premium for Excellence of Quality offered by the Granite State Dairyman's Association at an exhibition held at Peterborough, New Hampshire, December 7, 1906.

Hood Farm Milk won HIGHEST HONORS and Gold Medal in the National Dairy Show Association Milk and Cream Show, at Chicago, Illinois, October 20-29, 1910, held under direction of the Dairy Division, Bureau of Animal Industry, United States Department of Agriculture, scoring 97.5 points, the highest award in an exhibit of one hundred and five samples from twenty different states and Canada.

Hood's Milk, Cream and Butter are supplied fresh every day in more than 100,000 homes, hotels and restaurants of Greater Boston, Lawrence, and Manchester, N. H.

Hood's Butter was awarded Sweepstakes and First Premium by the Granite State Dairyman's Association at their Annual Meeting and Exhibition held at Exeter, New Hampshire, January 14, 1910.

No other milk dealers have expended the money to safeguard the health and happiness of their customers by employing experts as inspectors to instruct the farmers—first, as to the health of the herd and its protection; second, the cleanliness of the cows and their surroundings; third, construction and care of the utensils; fourth, the health of the employees and the manner of milking; fifth, handling the milk; the maintaining of a laboratory, and making daily bacteriological tests and analyses; perfecting unexcelled transportation facilities and protecting the milk, cream and butter from contamination during transportation from the farm to the consumer's door, insuring them to be PURE, CLEAN and SAFE.
